**DETAILED ACTION**

***Allowable Subject Matter***

Claims 1-9 and 21-26 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record either taken singularly or in combination fails to disclose the invention as claimed. In particular, reference to Rawley's 371 is the closest prior art but fails to disclose that the upper and lower end walls of each module support run perpendicular to the longitudinal wall of the respective module support and run parallel to the end walls (claim 1); wherein the locking hook arrangement of each module support is molded out of one lower end wall of the module support to form at least one wedge-shape locking hook (claim 22) and the snap-in hook engagement of each module support projects from an elastic tongue at one end wall of the respective module support (claim 24), in conjunction with other limitation in the claims. .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tho v. Duong whose telephone number is 571-272-4793. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tyler J. Cheryl can be reached on 571-272-4834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
